Difficulty Accessing the FGSS Call for Programs?

We have learned of several instances where folx are experiencing difficulty accessing the FGSS Call for Programs (CFP). We are sorry you are experiencing issues, and would like to offer the steps found below as a possible solution to the issue.

Please know that sessions in the apps.naspa.org and engage.naspa.org pages remain active for 6 hours. We recommend logging out of the session, prior to closing the web browser. If you do not log out before closing the web browser, the page becomes cached, causing an error page to load upon the next use.

Please follow these steps to troubleshoot any issues accessing the FGSS Call for Programs:

1. Using Firefox Mozilla, copy this link in the web browser panel: **https://apps.naspa.org/engage/logout.cfm;**
   *(If you have not used Firefox Mozilla as your web browser, please click **here** to download the browser.)*
2. Delete your browser history and cookies, in Firefox; and
3. Copy and paste the link below into a Firefox web browser: **https://apps.naspa.org/engage/evt_frm_main.cfm?event_id=2349**.

If the issue persists or you are experiencing entirely different issues, please contact the Center by email at first-gencenter@naspa.org.
